

# OVERALLS & T-SHIRTS

New for this year, every student will be able to get an overall representing their faculty.

This is to use during insparken, the faculty cup, when collecting points to your team and to show off patches you've collected during different events.

The overalls will be sold during the insparks period and will cost 360 SEK and you have to be a member of Student Union to buy one.

Within this time you can also buy a t-shirt in your team color for 20 SEK.

## FACULTY CUP

This year we will start a Faculty Cup, which is a small cup between the 4 faculties. During the year the student associations will plan events here in Malmö. In the events you'll be able to

collect points to your faculty. All points collected will be counted at the end of the school year, to crown a winning faculty.

Follow the Student Union on Facebook for more information and not to miss any upcoming events.

# TIME FOR... INSPARKEN 2020

Do you want to take part in student life, go to fun events, work in a bar, join a student association or do you just want to live by the "ovve" culture? Then this is the right brochure for you!

# MINI-INSPARKEN 2020

Due to the current situation of COVID-19, the insparken this year had to be done differently from previous years. 2020 we have decided to have a smaller kick off for this semester, promoting the Faculty Cup and Festmesteriet (the pub).

The pamphlet contains most of the information, but to stay updated; connect to your faculties' Official Facebook pages for this year's Insparken.

Each team has their own page and then there is the big group for all teams.

## INFO ABOUT MINI-INSPARK

Due to the situation in the world, we have to follow the recommendations given from Public Health Agency here in Sweden. This means that we have to restrict the amount of people in one place. With this we have given each team/faculty a day to get to know each other and see the pub.

The day start 17.00 outside of COOP at Malmö central station. From there we will get to Ribersborgsstranden where we start with some team-building. Around 20.00 are we ready to get moving to the Student Pub (for those who wants). Here you'll be able to buy food and drinks. Note that you're not allowed to bring any of your own beverages or food to the pub.

If you don't feel like going to the pub, some Fadders/Captains will stay at Ribersborgsstranden. We will start a BBQ (with your own food), keep playing games and just hanging out in good company.

The pub will close at 01.00. You're more than welcome to join whenever you can/want to. Remember that there is a restriction on the amount of people at the pub.
