Social medias

Before Insparken every year, an official Facebook group is started for all teams where current information is posted during Insparken. There are also individual Facebook groups for each team. These groups can be good to follow to stay up to date on what's happening. Insparken also has an Instagram that may be worth following. (Swedish name on colors)

Covid 19

As everyone knows, there is a pandemic in our world. We will do everything we can to keep our distance during activities and there will be access to rubbing alcohol during all days. We ask you to stay at home if you're ill, keep your distance from each other and follow the Folkhälsomyndighetens authority during Insparken. We reserve the right to close Insparken if it required.

Titles in Insparken

For those of you who are new to student life, it can be good to get a description of the positions at Insparken. The **generals** are the ones who are at the top of the pyramid and decide everything at Insparken. This year we have four generals. The captains are under the generals and there are 3-4 in each team. Then there are **faddrar** who are there to help the captains. Then of course we have you, **nollorna**!
